Private Car Certificate

EXPLANATORY NOTES

How to read this document

Please note that **Your Private Car Certificate** only starts from page 5 onwards. To help **You** read and understand **Your Certificate** better **We** provide some explanatory notes together with comments and examples (written in italic). These are not meant to be part of **Your Certificate** and should not be used to interpret **Your** takaful contract in the event of any dispute.

Words in bold

You will notice that some words in the **Certificate** are printed in **bold** letters. This is because they have been given specific meaning in **Your Private Car Certificate**. Please refer to Section F on pages 14 to 15 for the meaning of these words.

What makes up Your takaful contract?

Your takaful contract with **Us** is made up of the following:

- takaful **Certificate** in pages 5 to 30 (excluding the italic texts);
- the information **You** provided **Us** when **You** applied for this takaful;
- the **Schedule**;
- the **Endorsements** attached to the **Certificate**; and
- the **Certificate of Takaful**.

All these must be read together as they form **Your** takaful contract.

Duty of Disclosure

A. Consumer Takaful Contract

Where **You** have applied for this takaful wholly for purposes unrelated to **Your** trade, business or profession, **You** have a duty to take reasonable care not to make a misrepresentation in answering the questions in the Proposal Form (or when **You** applied for this takaful) i.e **You** should have answered the questions fully and accurately. Failure to have taken reasonable care in answering the questions may result in avoidance of **Your** contract of takaful, refusal or reduction of **Your** claim(s), change of terms or termination of **Your** contract of takaful in accordance with remedies of Schedule 9 of the Islamic Financial Services Act 2013. **You** were also required to disclose any other matter that **You** knew to be relevant to **Our** decision in accepting the risks and determining the rates and terms to be applied.

You also have a duty to tell **Us** immediately if at any time after **Your** contract of takaful has been entered into varied or renewed with **Us**, any of the information given in the Proposal Form (or when **You** applied for this takaful) is inaccurate or has changed.

B. Non-Consumer Takaful Contract

Where **You** have applied for this takaful for purposes related to **Your** trade, business or profession, **You** have a duty to disclose any matter that **You** know to be relevant to **Our** decision in accepting the risks and determining the rates and terms to be applied, and any matter a reasonable person in the circumstances could be expected to know to be relevant, otherwise it may result in avoidance of **Your** contract of takaful, refusal or reduction of **Your** claim(s), change of term(s) or termination of **Your** contract of takaful.

You also have a duty to tell **Us** immediately if at any time after **Your** contract of takaful has been entered into varied or renewed with **Us**, any of the information given in the Proposal Form (or when **You** applied for this takaful) is inaccurate or has changed.

If **You** misrepresented any facts to **Us** before the **Certificate** is entered into, examples of the actions that may be taken by **Us** against **You** include the following:

- declare **Your Certificate** void from inception (which means treating it as invalid), and **We** may not return any contribution;
- cancel this **Certificate** and return any contribution less **Our** cancellation charge (if any) or recover any contribution not made;
- remove one or more named drivers from **Your Certificate** and adjust **Your** contribution accordingly;
- recover any shortfall in contribution;
- not pay any claim that has been or will be paying under the **Certificate**; or
- be entitled to recover from **You** the total amount of any claim already paid under the **Certificate** or any claim **We** have to pay because of any relevant road traffic legislation, plus any recovery cost.

What is covered?

Your takaful does not cover **You** against everything that can happen to **Your Car**. Check out the **Schedule** that **We** issued to **You** to know the type of cover **You** obtained. The main types of cover are:

What this Certificate does not cover?

These are referred to as 'Exceptions' in **Your Certificate** and there are three sections where **You** can find them:

- Section A1b – see 'Events **We** Do Not Cover' (page 6): applicable to Comprehensive certificate only.
- Section B1b – see 'What is Not Covered' (pages 8 and 9): applicable to Comprehensive and Third Party, Fire & Theft certificates.
- Section D – see 'General Exceptions' (pages 10 to 11): applicable to Comprehensive and Third Party, Fire & Theft certificates.

There are generally three reasons why **We** put these exceptions in **Your** basic Private Car **Certificate**:

- Cover is not provided for the exceptions. **We** have to charge additional contribution if **You** want to cover any of these exceptions. Some examples of the exceptions which are not covered by **Your** basic Private Car **Certificate** but which can be covered if **You** make additional contribution are:
 - flood, storm {see Section A1b – 'Events **We** Do Not Cover' (page 6)};
 - strike, riot, civil commotion {see Section D – 'General Exception 8b' (page 10)}; and
 - use outside Malaysia, Singapore or Brunei {see Section D – 'General Exception 6' (page 10)}.
- There are other risks which are not covered by the basic Private Car **Certificate** or by any of its extensions. **We** would have to issue a different **Certificate** if **You** want these types of cover. For example, the following are not covered by **Your** Private Car **Certificate** but can be covered under a different type of **Certificate**:
 - carriage of goods must be covered under a commercial vehicle certificate; and
 - hire or reward must be covered by taxi or hired car certificate.

3. **Your Certificate** cannot and do not cover certain risks at all. Some examples of these can be seen in Section D – ‘General Exceptions’ (pages 10 to 11) such as:
- war, nuclear fission or fusion;
 - risks that are against public certificate or against the law; and
 - drunk driving.

How can Your Car be used?

Since this is a Private Car **Certificate**, **Your Certificate** only covers **You** if **Your Car** is used for “social, domestic and pleasure purposes and for the participant’s business”. This is clearly stated in the **Certificate** of Takaful under the heading “Limitation as to Use”.

The following are some examples of how **Your Car** can be used:

- to visit relatives and friends, for shopping etc.; and
- for some limited business use such as getting to and from work, and meeting customers.

However, **You** are not covered, for example, if **You** use **Your Car** in the following manner:

- as a private taxi by charging fares to carry passengers;
- as a hire car by charging rental to use **Your Car**;
- to carry any goods in connection with any trade or business other than samples. **You** must obtain a commercial vehicle takaful to cover this use;
- for motor trade (use for showroom display and for test-drive);
- to practise for or to take part in any race, rally, pacemaking, reliability trial or speed test; and
- use on any racetrack.

Who can drive Your Car?

- Practically anyone can drive **Your Car** as long as the driver:
- has a valid licence of the relevant class to drive and is not disqualified to drive by law or for some other reason {(see exclusion on Unlicensed Drivers in Section D – ‘General Exception 1’ (page 10))};
- has **Your** permission to drive (see definition of **Authorised Driver** in page 14); and
- complies with all the terms and conditions of this **Certificate**.
- Although anyone complying with the above conditions can drive **Your Car**, **You** may have to pay an additional **Excess** depending on the age of the driver, the type of licence the driver possesses or if the driver is not a **Named Driver** (see explanation on **Excess** in page 4). If **You** or **Your Authorised Driver** is not qualified to drive or breach any of the terms and conditions, **Your** claim may be rejected. If **We** are compelled by law to pay, **We** can recover any sum(s) paid and any expenses incurred from **You** or **Your Authorised Driver**.

In which territory is Your Car covered?

This takaful **You** have obtained only covers **You** in Malaysia, Singapore and Brunei in accordance to the laws of Malaysia. Additionally, note that if **You** intend to drive **Your Car** into Singapore, **You** are required by Singapore’s law to have cover against Legal Liability to Passengers (LLP). Since LLP is not covered by the basic Private Car **Certificate**, **You** will need to obtain **Endorsement 100** (see page 18), which provides a limited cover for **Your** liability for death or bodily injury of passengers.

When is Your cover effective?

This takaful is effective from the time of participation of takaful contract or at the agreed time of commencement, until the expiry date. The **Period of Takaful** will be printed in the **Certificate Schedule** and related documents. If there is any change to these dates, it will be officially shown in an **Endorsement** issued by **Us**.

How much should You cover Your Car for under a Comprehensive or Third Party, Fire and Theft Certificate?

To be safe, **You** should cover **Your Car** at its current **Market Value** (see definition in page 15). In simple terms, this is the current cost to replace **Your Car** with another **Car** of the same make, model, age and general condition. The amount that **You** choose to cover is called the **Sum Covered**. Please note that **You** could be penalised if **Your Car** is under-covered (see Section A2e – ‘Under-Covered in page 7).

For example, if the **Market Value** of **Your Car** is RM100,000 but **You** only covered it for RM80,000 then **You** could be penalised for under-covered. Assuming the loss is assessed at **RM5,000**, instead of the takaful operator paying the full amount, **You** could be paying to bear a portion of the loss in proportion to the under-covered as follows:

$$\frac{\text{Sum Covered}}{\text{Market Value}} \times \text{Loss} = \frac{\text{RM80,000}}{\text{RM100,000}} \times \text{RM5,000} = \text{RM4,000}$$

Therefore, **RM4,000** will be paid while the balance of **RM1,000** will be borne by **You**.

You would be penalised as shown above if the **Market Value** of **Your Car** exceeds the **Sum Covered** by 10%. On the other hand, it would be a waste of money to over-cover as **Your** takaful operator would not pay more than the **Market Value**. One way to protect **Yourself** from being under or over-covered is to opt for the **Sum Covered** determined by a **Market Valuation System** approved by Persatuan Insurans Am Malaysia (PIAM).

What is No Claim Discount (“NCD”)?

This is a form of discount on contribution for not having made a claim during the preceding period of **Your** takaful (provided the **Period of Takaful** exceeds one year). The scale of NCD applied is specifically mentioned in the **Certificate**.

The applicable NCD can be checked with **Us** or the Central NCD Database (“CND”) at <https://www.mycarinfo.com.my/ncdcheck/online> before **You** obtain **Your Private Car Certificate**.

What is an Excess?

This is the first amount that **You** have to bear **Yourself** for each and every claim that **We** approve, even if the **Incident** is not **Your** fault. However, please note that the **Excess** does not apply to loss or damage caused by fire, explosion, lightning, burglary, housebreaking, theft, third party property damage or bodily injury claims. Please check **Your Certificate Schedule** to find out the amount that **You** are liable to pay. This is referred to as **Endorsement 1** or **1(a)** in **Your Certificate**.

In addition, there is also a Compulsory **Excess** (see page 7) where **You** have to bear an additional **Excess** of RM400 if **You** or the person driving **Your Car**:

- is under 21 years old;
- holds a Provisional (P) or Learner (L) driver's licence; or
- is not named in the **Schedule** as a **Named Driver**.

As an example, if **We** assess the claim payable to be **RM10,000** but **Your Certificate** carries an **Excess** of RM500, **You** will have to bear the first **RM500 Yourself** and **We** will pay the balance of **RM9,500**. However, if the driver is below 21 years old, **You** have to bear an additional **Excess** of RM400. Using the same example, **You** now have to bear RM900 (i.e. 500 + 400) and **We** will pay RM9,100.

You may choose to take a voluntary **Excess** in addition to any standard or compulsory **Excess** that may apply.

Do's and Don'ts – after You have had an accident or theft

Do:

- Call Mercedes-Benz Roadside Assistance 24 hours Hotline Number **1-800-22-6247** or Zurich Roadside Assistance 24 hours Hotline Number **1-300-88-5566** or **+603-7989 0345** (for WhatsApp chat and local landline calls only) for immediate road assistance or tow service in the event of a road accident, or to make an enquiry on claims procedure;
- inform **Us** as soon as possible about any **Incident** which may give rise to a claim;
- report all accidents to the police within 24 hours as required by law;
- submit immediately to **Us** all letters, claims, writs and summons which **You** have received from third parties as a result of the **Incident**;
- remove **Your Car** to **Our Approved Repairer** for repairs or windscreen repairs or replacement;
- fully fill up the relevant sections of **Your** claim form – do not put “refer to police report”; and
- if **You** have a Comprehensive cover and the third party that knocked **Your Car** is clearly at fault, **You** are advised to submit own damage Knock-for-Knock (KfK) claim to **Us** in order to expedite claims processing. **Your** NCD entitlement will not be affected and **You** can claim the **Excess** that **You** had made from the takaful operator or insurer of the third party.

Don't:

- negotiate, admit or repudiate any claim without **Our** consent (see Condition 2 in page 12); and
- authorise repair without **Our** consent (see Condition 2f in page 12).

Condition 2 of **Your Certificate** (see page 12) spells out the do's and the don'ts after an accident or theft in more detail.

 - a. **Road**;
 - b. rail;
 - c. inland waterway i.e. across a river or canal etc.; or
 - d. across the sea by ferry or ship or any sea faring vessels etc. between the island of Penang and the mainland only.

For an additional contribution, **Your Certificate** can be extended to cover for ferry transit between Sabah and Labuan (**Endorsement 109**).

1b: What is Not Covered?

The events which are not covered are the exceptions listed below. These exceptions are specific to Section A and are in addition to exceptions listed in Section D and the applicable Endorsements.

We will not pay for the following losses:

(i) Consequential Losses

Any direct or indirect losses of any kind that may arise as a consequence of any Incident other than that provided for in Section A2.

(ii) Loss of Use

Any expense or financial loss that **You** may incur because **You** cannot use **Your Car** e.g. cost of hiring replacement **Car**, travelling expenses etc.

For an additional contribution, **Your Certificate** can be extended to cover an agreed payment per day for an agreed duration (**Endorsement 112**).

(iii) Depreciation

The loss of value of **Your Car** due to the damage sustained or the time taken to repair the **Car**, and/or for any loss or damage that results over a prolonged period of time due to wear and tear, rust and corrosion.

(iv) Breakdown or Malfunction of Parts

Any mechanical, electrical or electronic breakdown, equipment or computer malfunction, or any other failure or breakdown to **Your Car**.

(v) Damage to Tyre(s)

Any damage to the tyre(s) of **Your Car** unless other parts of **Your Car** are also damaged at the same time.

(vi) Convulsions of Nature

Any loss or damage to **Your Car** caused by flood, typhoon, hurricane, storm, tempest, volcanic eruption, earthquake, landslide, landslip, subsidence or sinking of the soil/earth or other convulsions of nature.

(vii) Loss of Electronic Data

Loss of electronic data and any consequences arising from it, directly or indirectly caused by or in connection with a computer virus. This includes loss of use, reduced functionality, or any other associated loss or expense in connection with the electronic data.

(viii) Cheating or Criminal Breach of Trust

Any loss or damage, including theft, caused by or attributed to the act of **Cheating** or **Criminal Breach of Trust** by any person.

2. Basis of Settlement

This section explains how **We** will settle **Your** claim once **We** accept that it is payable under Section A. If **Your Car** is damaged as a result of any **Incident**, **We** have the option of doing the following:

a. If Your Car is Repairable

If in **Our** opinion **Your Car** is economical to repair, **We** have the option to:

- arrange for **Your Car** to be repaired at an **Approved Repairer** and pay the cost of repairing **Your Car** to the condition which is as near as possible to the condition it was in before the loss happened;
- pay **You** in cash the amount **We** estimate it would cost to repair **Your Car**; or
- reinstate or replace **Your Car** with one of the same make, model, age and general condition.

b. If Your Car is not Repairable

If in **Our** opinion, the damage to **Your Car** is so great that it would not be safe or economical to repair, **We** will declare **Your Car** "Beyond Economic Repair" ("BER") and **We** will pay **You** up to the maximum amount as stated in (d) below or offer **You** a settlement sum equivalent to the **Market Value**. **We** may also opt to replace **Your Car** with one of the same make, model, age and general condition. If **We** take any of these actions, this **Certificate** shall be automatically terminated once **We** make payment.

*In cases where the valuation of the franchise-holder vary from **Market Value** by more than 10%, **We** would also have the option to offer a settlement value which is equal to the cost of purchasing a replacement car of the same make, model and age of the **Car** at the time of loss. It is **Our** option to offer **You** a replacement of the **Car**, should **You** not agree with the offer.*

c. Replacement Parts

If the spare parts or **Accessories** required to repair **Your Car** are not available in Malaysia, or if **We** choose to pay for the loss or damage in cash, **We** will settle **Your** claim on the following basis:

- the last known parts price list issued in Malaysia by the manufacturer or their agent. If the price list in Malaysia does not exist, **We** will use the price at the manufacturer's production plant and include reasonable cost of transportation to Malaysia (but not the cost of air freight); and
- the reasonable labour cost of fitting such spare parts or **Accessories** in Malaysia.

d. The Maximum Amount We will Pay You

If **Your Car** is BER or stolen and not recovered, the amount payable under the **Certificate** will be the **Market Value** at the time of the loss or the **Sum Covered** as shown in the **Schedule**, whichever sum is the lesser. Upon **Our** payment of the said amount, this **Certificate** shall be automatically terminated. The **Market Value** is to be determined according to clauses 17 and 18 of Section F.

e. Under-Covered

If the **Sum Covered** of **Your Car** is less than the **Market Value** at the time of the loss, the **Certificate** will only bear part of the loss in proportion to the difference between the **Market Value** and the **Sum Covered** as shown in the formula below:

$$\frac{\text{Sum Covered}}{\text{Market Value}} \times \text{Assessed Loss}$$

The balance has to be borne by **You**. However, this will only apply if the under-covered amount is more than 10% of the **Market Value**.

f. Betterment

If new original parts are used to repair **Your Car** and as a result of which **Your Car** is in a better condition than it was before the damage, **You** would be required to contribute to its betterment, a proportion of the costs of such new original parts. **Your** contribution would be according to the following scale:

Age of Your Car (Years)	Rate of Betterment
less than 5	0
5	15%
6	20%
7	25%
8	30%
9	35%
10 and above	40%

To determine the rate of betterment to be applied, the age of **Your Car** will be calculated based on when it was originally registered in Malaysia:

a. as a locally assembled car	Date of Original Registration
b. as a new imported Completely Built Unit (CBU) car	Year of Manufacture
c. as an imported second-hand/used/reconditioned car	Year of Manufacture

g. Compulsory Excess (please see page 4 for explanation)

In addition to the **Excess** shown in the **Schedule**, **We** have the right to deduct another RM400 as Compulsory **Excess** if at the time of the **Incident**, **You** or the person driving **Your Car** with **Your** consent:

- is under 21 years old;
- holds a Provisional (P) or Learner (L) driver's licence; or
- is not named in the **Schedule** as **Named Driver**.

We will not deduct this additional RM400 **Excess** if the loss or damage is caused by fire, explosion, lightning, burglary, housebreaking, theft, third party property damage or bodily injury claims.

3. Towing Costs

If **Your Car** cannot be driven as a result of any damage to it that is covered by this **Certificate**, **We** will pay up to a maximum of RM200 for the necessary and reasonable costs to remove **Your Car** to the nearest **Approved Repairer** or to a safe place of storage while awaiting repair or disposal.

Section B: Liability to Third Parties

This section explains what is covered and not covered under Section B.

1a: What is Covered?

You and / or **Your Authorised Driver** will be indemnified for the amount which **You** and / or **Your Authorised Driver** are legally liable to pay any third party (including third party's costs and expenses) for:

- (i) death or bodily injury to any person except those specifically excluded under this **Certificate**; and / or
- (ii) damage to property except those specifically excluded under this **Certificate**

as a result of an **Incident** arising out of the use of **Your Car** on a **Road**. This cover is extended to **Your Authorised Driver** provided **Your Authorised Driver** also complies with all the terms and conditions of this **Certificate**.

2: Limits of Our Liability

We will pay the following for any one claim, or series of claims arising from one **Incident**, in any one **Period of Takaful**:

- (i) unlimited amount for death or bodily injury to third party; and / or
- (ii) up to a maximum of RM3 million for third party property damage.

*For an additional contribution, the limits of liability for third party property damage can be extended up to RM20 million (**Endorsement 105**).*

3: Cover for Legal Personal Representatives

Following the death of any person covered under this **Certificate**, **We** will indemnify that person's legal representatives for liability covered under this Section, provided such legal representatives comply with all the terms and conditions of the **Certificate**.

4: Legal Costs

If **You** or **Your Authorised Driver** is charged for reckless and dangerous driving or careless or inconsiderate driving under the Road Transport Act 1987 or any other offence related to the said **Incident**, **We** will pay legal costs incurred up to a maximum of RM2,000 to defend **You** or **Your Authorised Driver** provided always that such costs are incurred in Malaysia, the Republic of Singapore or Negara Brunei Darussalam, and that cost has been incurred with **Our** prior agreement in writing.

We will only pay for legal cost and **We** will not pay for any penalty imposed on **You** or **Your Authorised Driver**.

1b: What is Not Covered?

These exceptions are specific to Section B and are in addition to the Exceptions stated in Section D of this **Certificate** and any other applicable endorsements. **We** will not pay for:

- (i) death or bodily injury to any passenger being carried for hire or reward;
- (ii) death or bodily injury to any person where such death or injury arises out of and in the course of the employment of such person by **You** or by **Your Authorised Driver**;

1. No Claim Discount (NCD)

If **You** have covered **Your Car** for a continuous period of 12 months and **You** or anyone else did not make any claim under this **Certificate** during that time, a NCD will be applied at each renewal. The applicable NCD will increase with each renewal if **You** continue to have claim free years as follows:

Claim Free Year of Takaful	NCD Entitlement
After 1 continuous claim free year	25%
After 2 continuous claim free years	30%
After 3 continuous claim free years	38 1/3%
After 4 continuous claim free years	45%
After 5 continuous claim free years and beyond	55%

2. One Claim and Your NCD is Down to Zero

If **You** or anybody else meet with an **Incident** which will give rise to a claim on this **Certificate**, the NCD entitlement that **You** have accumulated would drop to zero at the next renewal and **Your** NCD will start all over again. If a claim is received after the NCD has been applied, **We** shall be entitled to recover the NCD given from **You**.

3. Exception to this Rule

Your NCD will not be affected even if a claim is made if:

- **We** are of the opinion that **You** are not at fault for causing the loss;
- the offending vehicle is identifiable and is not a vehicle used for carriage of passengers for hire or reward (for example taxis, hire cars, public buses, stage buses, school buses and factory buses for hire);
- the offending vehicle is covered by a Malaysian licensed takaful operator/insurer; and
- there is no death or personal injury claim involved.

4. Your NCD is not Transferable.

The NCD is personal to **You** which means that if **You** were to sell **Your Car** and **We** agree to transfer this **Certificate** to the new owner, **Your** NCD cannot be transferred for the benefit of the new owner.

5. Non-utilisation of NCD
